

IMPORTANT NOTICE AND DISCLAIMER: All investments are subject to risk, which must be considered on an individual basis before making any investment decision. Off-Grid Confidential is the publisher of these materials and is not responsible for errors and omissions. This publication is intended solely for information and educational purposes and is not to be construed, under any circumstances, as an offer to buy or sell, or a solicitation to buy or sell or trade, or as a personal recommendation to buy or sell or trade in any securities or commodities named in these materials. These materials are a paid advertisement. Information gathered to create these materials is from sources believed to be reliable, but we cannot guarantee its reliability. Furthermore, there are no assurances that you will profit or that any losses can or will be limited. It is important to know that no guarantee of any kind is implied or possible where projections of future conditions in the markets are attempted. Hypothetical or simulated performance results have certain inherent limitations as to liquidity and execution, among other variables. All readers should consult their own personal investment adviser before making an investment decision. Investing in securities is highly speculative and carries a great deal of risk, especially as to newer companies with comparatively short operating histories and limited earnings. This report contains projections regarding future operating results, which are forward-looking statements. Those projections were derived from sources that have not been verified independently. All forward-looking statements are believed to have a reasonable basis, but are subject to risks, uncertainties and other factors that could cause actual results to differ materially from future results expressed, projected or implied by such forward-looking statements. Those projections should not be considered a comprehensive representation of the featured company's future performance. Off-Grid Confidential is a paid circulation newsletter and is not a financial analyst, investment advisor or broker/dealer. These materials are a solicitation for subscriptions

for the newsletter and a paid promotional advertisement of Draganfly Inc. (NASDAQ: DPRO); (CSE: DPRO). Off-Grid Confidential expects to generate new subscriber revenue as a result of this advertisement. This paid advertisement includes a stock profile of Draganfly Inc. (DPRO or the “Company”). Off-Grid Confidential is an investment newsletter being advertised herein. This paid advertisement is intended solely for information and educational purposes and is not to be construed under any circumstances as an offer to buy or sell, or as a solicitation to buy or sell, any securities. Off-Grid Confidential assumes no obligation to provide any future views in support of the highlighted company. In an effort to enhance public awareness of DPRO and its securities, Draganfly Inc. provided Creative Direct Marketing Group Inc. with a total budget of approximately \$581,687 to cover the costs associated with creating, printing and distribution of this advertisement and other elements of this campaign in an effort to build investor awareness from September 2021 through December 2021. Additionally, Draganfly Inc. has allocated a budget of approximately \$1,311,378 to other advertising agencies in an effort to build investor awareness of DPRO and its securities. Draganfly Inc. has represented to Creative Direct Marketing Group Inc. in writing that it is the source of all funds that have been or will be paid to advertising agencies for this advertising campaign. Off-Grid Confidential was paid \$20,000 as a research fee. In addition, Off-Grid Confidential may generate new subscription revenue, the amount of which is unknown at this time, as a result of the distribution of these materials. The advertising agencies involved in this campaign relied on information provided by Draganfly Inc. The advertising agencies will retain as their compensation any excess sums after all expenses are paid. Draganfly Inc. has represented to Off-Grid Confidential and the advertising agencies in writing that (1) its officers, directors, and principals (as defined in the Securities Act of 1933, as amended, and Rule 501(b) promulgated thereunder) are beneficial owners of Draganfly Inc.; (2)

the Issuer and its officers, directors, and principals will abide by the Issuer's corporate governance and trading policies along with Canadian Securities Exchange and Nasdaq trading policies. If successful, this advertisement will increase investor and market awareness, which may result in an increased number of shareholders owning and trading the securities of DPRO, increased trading volume, and possibly an increased share price of DPRO's securities, which may be temporary. This advertisement, the advertising agencies and Off-Grid Confidential do not purport to provide a complete analysis of DPRO's financial position, operations or prospects, and this is not to be construed as a recommendation by Off-Grid Confidential as an offer to buy or sell any security or as investment advice. An offer to buy or sell can only be made with accompanying disclosure documents and only in states and provinces for which they are approved. They are not, and do not purport to be, broker-dealers or registered investment advisors. This advertisement is not, and should not be construed to be, personalized investment advice directed to or appropriate for any particular investor. Any investment should be made only after consulting a registered broker-dealer or registered investment advisor or doing your own research if you do not utilize an investment professional to make decisions on what securities to buy and sell and only after reviewing the financial statements and other pertinent publicly-available information about DPRO and its industry. Further, readers are specifically urged to read and carefully consider the Risk Factors identified and discussed in DPRO's SEC filings and any other filings with Canadian securities administrators. Investing in securities, particularly microcap securities such as DPRO, is inherently speculative and carries a high degree of risk. Past performance does not guarantee future results. This advertisement is based exclusively on information generally available to the public and does not contain any material, non-public information. The information on which it is based is believed to be reliable.

Nevertheless, the advertising agencies and Off-Grid Confidential cannot guarantee the accuracy or completeness of this information. The advertising agencies and Off-Grid Confidential note that statements contained herein that look forward in time, which include everything other than historical information, involve risks and uncertainties that may affect DPRO's actual results of operations. Factors that could cause actual results to differ include the size and growth of the market for DPRO's products and/or services, Draganfly Inc.'s ability to fund its capital requirements in the near term and long term, pricing pressures, etc. Off-Grid Confidential is the publisher's trademark. All trademarks used in this advertisement other than Off-Grid Confidential are the property of their respective trademark holders and no endorsement by such owners of the contents of this advertisement is made or implied. The advertising agencies and Off-Grid Confidential are not affiliated, connected, or associated with, and are not sponsored, approved, or originated by, the trademark holders unless otherwise stated. No claim is made to any rights in any third-party trademarks. More information can be found on the Draganfly Inc. website (draganfly.com). As with any low-priced stock, investors should use only risk capital they are willing to lose or hold for long-term investing.
